BECOME A 2008 'HAWK BOOSTER

Over the past 12 years, the Nighthawks have provided high quality soccer opportunities to girls and women. Our emphasis has been and will be the continuance of the most enjoyable experience in team sports. Our players love the game. Our players have developed life-long friendships because of the game. Some of our players have redirected their careers to become soccer coaches or trainers.

There is something more for the Nighthawks than just playing the game of soccer. They have become part of an institution; one based on striving for excellence when playing, one based on teamwork and respect and especially one determined to bring the "family" experience to the community.

Our 2007 achievements include:

- Made the final 4 of the USASA Amateur cup. Though the Hawks lost to the eventual winner, New York Athletic Club, it was an honor to be a part of the oldest and most prestigious competition offered to all affiliated teams of the United States Adult Soccer Association.
- Exhibition games against Ghana National Team in Napa.
- Provided clinics and instruction for:
 - o San Francisco Recreation & Parks
 - o Kaiser Permanente
 - o San Jose Youth League
- Finished 1st in the spring Golden Gate League and 3rd in the fall.
- Fundraising events for many youth groups including:
 - o MCS Panthers
 - o Chivas Traveling team
 - o Scores Bay Area
 - o Jamestown Club
 - o Boys Soccer Academy in Ghana
 - o Balboa High School Girls Soccer Program
 - o Stonestown YMCA
 - o Bay Area Chapter of Special Olympics
 - o Haiti Soccer Academy
- Filmed a Public Service Announcement with the Girls Scouts about young girls and fitness choices.
- Gave blood for the San Francisco Elk's blood drive and for the first time since the San Francisco Elk's started the traditional Blood Drive at their Post street Club, they were able to top the record 100 pints by giving a total of 107 pints thanks in part to the Nighthawks players participation.

The 'Hawks have never had the luxury afforded many of the other Women's Premier Soccer League (WPSL) teams by being fully funded by a wealthy owner or having a "Nike" size sponsor. We have existed by being involved in the community and by receiving minimal grants, which by no means were adequate for our needs. Our main source of support has come from our friends, relatives and fans.

We are a non-profit 501(c)(3) charitable corporation. Consequently, donations are fully deductible. **Our Tax ID# is 94-3240081.** Your donation will be used to provide the knowledge, skill and appreciation of soccer to underprivileged girls and women in the bay area. The 'Hawks players will not be compensated, but your contribution will allow the team to participate in Leagues and tournaments, to travel, and to pay head coach expenses.

We also invite you to join our board of directors and advisory board and help us realize our goals.

Thanks so much,

Jill Lounsbury, General Manager

Dick Cross, Treasurer
